Environmental Profile

All surfactants contained in **Clean and Clever** products meet the requirements of the EU Detergent Directive 2005 – 2004/648/EC. This requires all surfactants to break down both quickly and completely into harmless material such as CO2 and water.

Description of Product

Penetrates underneath the surface of the carpet to remove the source of odours from carpet backing and underlay. Replaces household bacteria that produce ammonia as a waste product. Biodegrades urine into CO2 and water. Lemon perfume for instant reodorisation before the bacteria start working. Totally outperforms all detergent alternatives.
