

3M Building & Commercial Services 3M™ Easy Trap Duster

3M™ Easy Trap Duster

Traps and holds 6X more dirt and dust

Using specially developed disposable sheets, the 3M™ Easy Trap Duster traps and holds 6X more dust, dirt, sand and hair than traditional mops and other disposable systems. It's simply a more efficient way to pick up dust and dirt and needs to be seen to be believed.

- Works on most horizontal surfaces
- Low drag reduces worker fatigue
- Works in wet environments
- Can be used with your current dusting tools
- Boosts productivity without compromising cleaning standards

3M

Picks up what others leave behind

The 3M™ Easy Trap Duster is designed to trap and remove dust and dirt quickly and efficiently – unlike traditional mops and dusters which can unwittingly pass over the dirt or simply move it around. This helps you to increase productivity and reduce labour costs, without compromising cleaning standards.

3M proprietary disposable web

Made from 3M proprietary fibres, the three dimensional web traps and holds the dust and dirt without creating drag – increasing efficiency while reducing worker fatigue.

- Nonwoven, three dimensional web
- 3M proprietary fibres
- Two-sided, for longer-lasting use
- Disposable
- Perforated 127mm (width) x 38.1m and 203mm (width) x 38.1m rolls and convenient pop-up dispenser in both widths for housekeeping cart

Compare 3M Easy Trap Duster with a traditional duster

Works on most surfaces, with your existing tools

The disposable web is easily attached to most cleaning tools and can be used on most horizontal surfaces and in wet environments. It also works with most high dusting tools to trap and remove dirt in hard to reach places.
