

## Concentrated Eco-Friendly Dishwashing Detergent

NW Code: 12092

**Product Uses** Mild eco-friendly dishwashing liquid for use by hand. Also suitable for floor and general cleaning.

**Directions** Recommended dosage: For dirty dishes: 1 part product to 750 parts hand hot water For not very dirty dishes 1 part product to 1000 parts hand hot water. To wash your dishes in the most efficient way, to save water and energy, and to protect the environment, do not use running water but immerse the dishes, and use the recommended dosage. You can wash most efficiently without lots of foam.
